Well Mel,

We're finally finished with high school, the best years of our lives! Sure! Seriously, this year has really been fun and yet it's as bad to believe that it's over. I'll never forget all the classes you and both Laurie invented this year. You two got away with murder. Remember doing 7th period class and some of those neat jokes Mr. P. came up with? And how we crammed to get that term paper out. Have a great time with Chuck at the Point and always and never change and I'll see you at your lodge way.

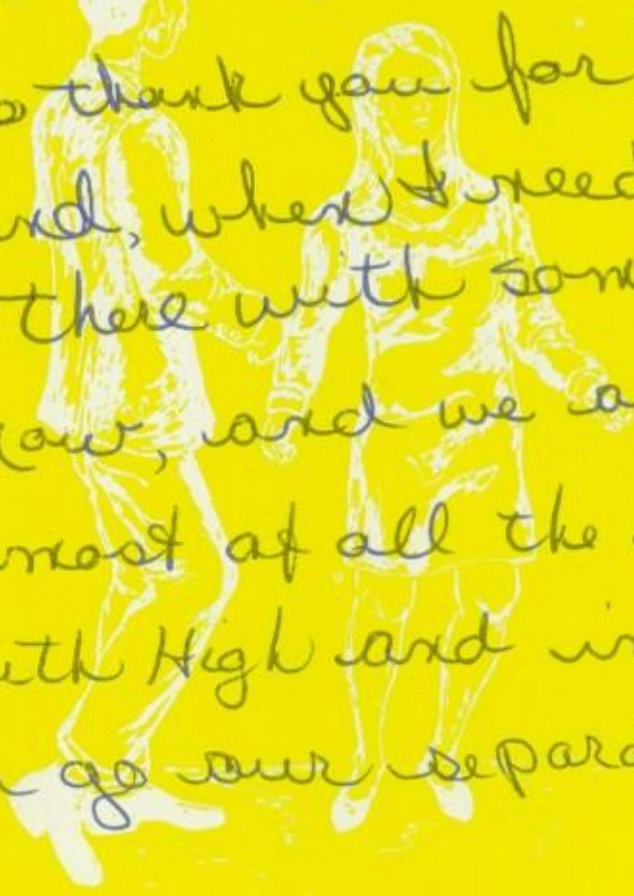
MEL.

Melody dawn Brandenburg, that's quite a name for quite a gal. It's hard to start with the beginning of our friendship because it seems like we've been friends forever. Mel, I think we have a different sort of friendship than anyone else that we know. It's hard to explain but I really think that we know each others feelings and we understand each other so very well. The fantastic times that we have had together seem endless. Alpha... chorus... hooking... your problems with chuck... Sound of Music... Page 2 of the Who-Wair-N-Wat... New York Trip... senior book day at the ZOO... Page 56 of this book... the day we bought your wedges... and I could go on forever. Well Mel, we are going to graduate in a very short time, you, Rob, Donna and I along with everyone else in the great class of sixty-nine. The prom is also coming up and I hope that you have a wonderful time. I want to thank you for being such a close and true friend, when I needed you you always seemed to be there with some help, or advice. It's all over now, and we are taking with us the memories but most of all the love that we have found at North High and in our close friends. We will each go our separate ways but I'll never forget.



Love Mary

Mel,

We've actually done it this year. It's really sad to think that we'll all go away and maybe never see anybody for a long time to come. I can't hardly forget all the good times we've had this year. Remember all the days that we all went home from school in Wonna's car and went out to Red's after school. Then came New York and the last we had up there. I'll never forget all the clothes shopping and the places we went to see. Remember how we were all tired in our room and everybody fought, but no- one in your room even got anybody mad at Linda and Remember Nancy Mills and then, Smith fighting about those pants? practices? Remember those County Chorus Rysterical and such a queer!! Remember that man with the fruity times out at Red's on the Friday night and also on school nights. We really had a blast!! Remember that slumber party at Laurie's over the Christmas Holidays and we went to the American Legion and took that light bulb out of the tree. Those slumber parties were really a lot of fun!

Mel!

What a year! You finally (?!!) graduated and I'm finally an Upperclassman! I couldn't have made it through the year without your advice and your shoulder to cry on! Thanks for listening to all ~~my~~ my troubles. Remember all the phones conversations, the rides (thanks for them) and my stupendous ability behind the wheel. Don't you think I'll make a terrific automobile-operator?!! Heaven help everyone else on the road! (Slow down and watch out for them mailboxes M.B.!) Thanks for your help on Anne's campaign (the night "we" were going to make more signs for the kick-off!) She's a ~~gre~~ great gal!

P.S. Remember Bat Rita? You all sat in the car and cried! I thought I'd die! I really started missing you all that night! ALPHA got a bad deal that nite, but we all know we're the greatest and that what counts. Be good and God Bless!

Thanks especially for your great friendship! You're one of the greatest, nicest, dearest girls I've ever known to walk the distinguished halls of North High. I never felt self-conscious (is that how you spell that?) with you like I sometimes did with other Seniors. And it made me feel so proud when you compared me to you! You're really a girl to be looked-up to and respected and I hope I never let you down. Best of luck, happiness and everything else (boys ?!!) and please never forget everything we've had together. You can't know how much I'll miss you after you graduate - Love ya always. Mary Beth

Mel,
Best of luck to a real nice girl with a lot going for her. You're so lucky to be graduating this year, and we'll all miss some of the class of '69. But I must admit that I'll be glad to see Pauline & friends leave. Anyways, always remember ALPHA, the greatest club in the world! Remember [redacted] my little incident with Alison last year and what a jerk I was. Stay the way you are and you'll go far. Have lots of fun this summer, and if ya get too bored, come on up. A.F.A.

Melody, my Chickadee
I hardly know where to start signing. We have done so much together and have had so many goods times together. I'll never forget all my slumber parties. They were all pretty bad but at least, well most of the time, everyone was together. Everybody was so corny. We acted like a bunch of queers. Oh well, that's better than acting like a bunch of those smart snobs.

I sure am glad Chuck got his cast off. I felt so sorry for both of you. That was terrible the way everybody was making fun of you - I felt like pounding everyone who said something mean about you. That goes to show who your friends are. I hope I was a little help to you then because I didn't want to say something that could hurt you.

I sure am glad we got to know each other this year. You are the kind of person who gets along with everybody and isn't two-faced. You have the best personality of all the kids in the SENIOR class and are liked by everyone. It will be so sad next fall when everyone leaves for college - it seems like we will never see them again. Be sure to write me and tell me what is going on there.

I hope you and Chuck always stay together because you make the dearest couple. Never forget the time we doubled for the sweethearts Dance, that was a riot. Lets do a lot of stuff this summer and have a ~~go~~good ole time. Luv ya

Mel
Well, we're coming to the end of one of our years we'll never forget. Never forget all the fun we've had hooking classes, music class, and just plain running around together. Always remember some of the messes we've gotten into. Good luck this summer at School and don't worry. Be good to Chuck and I'm sure you'll have many more great times with him. Don't forget "Give My Regards To Broadway" and that great New York trip and the fun we had the last night there. Be good, not easy!

Love ya
Kaye Crawford

GRATITUDE IS THE MARK OF A NOBLE SOUL . . .

FOR LONG, CROWDED CORRIDORS, VIBRANT, RESONANT, ALIVE . . .

FOR FACES — PENSIVE, PUZZLED, AND PRETTY . . .

FOR THINGS AND EVENTS, BUT MOST OF ALL FOR PEOPLE,

BECAUSE THEY CARED THAT THE STORY OF 1969 MIGHT LIVE

UNCEASINGLY IN A HEISKELITE.

Mel,
well, it's bye to Kaye
at long last, it's been
fun though, I can't
write too much because
I'm a mad mad —
Nothing unusual happ —
Well, have fun at school
next year and behave
take care of yourself —
Love ya,

(RESERVED)

Mel,

I don't know how to start because there are so many things I want to say. First of all I know I act pretty nasty sometimes and give you an awfully hard time but I want you to know that I'll always care alot. It seems like since the last time we broke up we've gotten along so well and I just wish it could be like this always. One things for sure we will have a good time at the Prom this year, because this year I am going with someone special with whom I really want to go.

It has been alot of fun and alot of memories going to the dances and being with you. You don't know how much I'll miss you next year when you go away to college. I really wish you didn't have to go but that's the breaks, things like this happen every year. Well I guess I'd better stop now because I'm getting kind of mushy.

With all my love always.

Chuck.

P.S. I would like to write more but you know how not much for words.

Mel,

Well even though it was hard we made it there were some good times too. I wish you the best of luck in the future. With your personality you'll have no trouble. Have fun this summer.

AFA.

Mel, (easy)

It's finally through. It's so hard to believe but it's true. We've had so much fun. These are our last few days at North High. After these few days all we will have left are the memories of 4 great years. Some of them are really great. Remember always our great Economics and all the help. Thanks a lot. I never would have passed without you. And then there's always our crazy English Class where we cheat like heck. Thanks a lot in there too. Don't forget all our lunches together and $ all the slumber parties (with putting water on your hands + face while your asleep) ~~Come~~ Also, remember all our Friday nights with the girls. Come next year we will all be going our own separate ways. I'm really glad we were good friends this year. I hope that we can carry on that friend ship for a long time. I hope that what ever you try for your gain. Good luck and have a great summer. Hope to see ya a lot.

A Friend Always

Lainie

P.S. I know I'll ~~never~~ never know anyone quite as easy as you but of course ~~th~~ you can only be so easy. Keep it up. Thanks an awful lot for being a great friend.

Mel.
To a real tuff
girl with a bode to
match, be good with
Chuck and remember
the good ol art alas with
I.L.B. and the fabulous things
we did to get the old master

Mel,
Best wishes to a real
great girl. I've always had
a great deal of respect for you, because
you're a good kid. Never forget your years
at North, Mix and the Choruses, and our
Great Senior Class. I hope you have much
success in the future, and have the best of
everything. Take care this summer and I
hope to see you around. A.F.A.
